

2026 Blue Cross and Blue Shield Service Benefit Plan - Standard and Basic Option
Section 9. Coordinating Benefits With Medicare and Other Coverage**When you have Medicare**
Medicare Advantage (Part C)

• Medicare Advantage (Part C)

If you are eligible for Medicare, you may choose to enroll in and get your Medicare benefits from a Medicare Advantage plan. These are private healthcare choices (like HMOs and regional PPOs) in some areas of the country. To learn more about Medicare Advantage plans, contact Medicare at 800-MEDICARE (800-633-4227), TTY: 711, or at www.medicare.gov.

If you enroll in a Medicare Advantage plan, the following options are available to you:

This Plan and another plan's Medicare Advantage plan: You may enroll in another non-PSHB plan's Medicare Advantage plan and also remain enrolled in our PSHB Plan. If you enroll in a Medicare Advantage plan, tell us. We will need to know whether you are in the Original Medicare Plan or in a Medicare Advantage plan so we can correctly coordinate benefits with Medicare.

Under Standard Option, we will still provide benefits when your Medicare Advantage plan is primary, even out of the Medicare Advantage plan's network and/or service area. However, we will not waive any of our copayments, coinsurance, or deductibles, if you receive services from providers who do not participate in the Medicare Advantage plan.

Under Basic Option, we provide benefits for care received from Preferred providers when your Medicare Advantage plan is primary, even out of the Medicare Advantage plan's network and/or service area. However, we will not waive any of our copayments or coinsurance for services you receive from Preferred providers who do not participate in the Medicare Advantage plan. Please remember that you must receive care from Preferred providers in order to receive Basic Option benefits. See Section 3 for the exceptions to this requirement.

Suspended PSHB coverage to enroll in a Medicare Advantage plan: If you are an annuitant or former spouse, you can suspend your PSHB coverage to enroll in a Medicare Advantage plan, eliminating your PSHB premium. (OPM does not contribute to your Medicare Advantage plan premium.) For information on suspending your PSHB enrollment, contact your retirement or employing office. If you later want to re-enroll in the PSHB Program, generally you may do so only at the next Open Season unless you involuntarily lose coverage or move out of the Medicare Advantage plan's service area.
