- **Temporary Continuation of Coverage (TCC)**

If you leave Federal service, or if you lose coverage because you no longer qualify as a family member, you may be eligible for TCC. For example, you can receive TCC if you are not able to continue your PSHB enrollment after you retire, if you lose your Federal job, or if you are a covered child and you turn age 26, regardless of marital status, etc.

You may not elect TCC if you are fired from your Federal job due to gross misconduct.

Enrolling in TCC. Get the RI 79-27, which describes TCC, from your employing or retirement office or from www.opm.gov/healthcare-insurance. It explains what you have to do to enroll.

Alternatively, you can buy coverage through the Health Insurance Marketplace where, depending on your income, you could be eligible for a tax credit that lowers your monthly premiums. Visit www.HealthCare.gov to compare plans and see what your premium, deductible, and out-of-pocket costs would be before you make a decision to enroll. Finally, if you qualify for coverage under another group health plan (such as your spouse's plan), you may be able to enroll in that plan, as long as you apply within 30 days of losing PSHB coverage.

We also want to inform you that the Patient Protection and ACA did not eliminate TCC or change the TCC rules.

- **Finding replacement coverage**

If you would like to purchase health insurance through the ACA's Health Insurance Marketplace, please refer to the next Section of this brochure. We will help you find replacement coverage inside or outside the Marketplace. For assistance, please contact your Local Plan at the phone number appearing on the back of your ID card, or visit www.bcbs.com to access the website of your Local Plan.

Note: We do not determine who is eligible to purchase health benefits coverage inside the ACA's Health Insurance Marketplace. These rules are established by the Federal Government agencies that have responsibility for implementing the ACA and by the Marketplace.

- **Health Insurance Marketplace**

If you would like to purchase health insurance through the ACA's Health Insurance Marketplace, please visit www.HealthCare.gov. This is a website provided by the U.S. Department of Health and Human Services that provides up-to-date information on the Marketplace.
