Health Tools

Stay connected to your health and get the answers you need when you need them by using Health Tools 24 hours a day, 365 days a year. Go to www.fepblue.org or call 888-258-3432 toll-free to check out these valuable easy-to-use services:

- Talk directly with a **Registered Nurse** any time of the day or night via phone, secure email, or live chat. Ask questions and get medical advice. Please keep in mind that benefits for any healthcare services you may seek after using Health Tools are subject to the terms of your coverage under this Plan.
- **Personal Health Record** – Access your secure online personal health record for information such as the medications you're taking, recent test results, and medical appointments. Update, store, and track health-related information at any time.
- **Blue Health Assessment** – Complete this online health and lifestyle questionnaire and receive additional assistance with your healthcare expenses. See the following for more information.
- **Daily Habits** – Manage your health proactively by setting and managing health goals, create a plan of care, track your progress, and pursue healthy activities. Daily Habits offers members a combination of guidance, support, and resources.
- **Tobacco Cessation Incentive Program** – If you would like to quit smoking, you can participate in this program and receive tobacco cessation products at no charge. Create a Tobacco Cessation Quit Plan using our online coaching tool, Daily Habits. You will then be eligible to receive certain smoking and tobacco cessation medications at no charge. Both prescription and over-the-counter (OTC) tobacco cessation products obtained from a Preferred retail pharmacy are included in this program. See Section 5(f)(a) for more information.
Note: There may be age restrictions based on U.S. FDA guidelines for these medications.
- **Health Topics and WebMD Videos** offer an extensive variety of educational tools using videos, recorded messages, and colorful online materials that provide up-to-date information about a wide range of health-related topics.
