Section 8. The Disputed Claims Process

Please follow this Postal Service Health Benefits Program disputed claims process **if you disagree with our decision on your post-service claim** (a claim where services, drugs, or supplies have already been provided). In Section 3, *If you disagree with our pre-service claim decision*, we describe the process you need to follow if you have a claim for services, drugs, or supplies that must have precertification (such as inpatient hospital admissions) or prior approval from the Plan.

You may appeal directly to the U.S. Office of Personnel Management (OPM) if we do not follow required claims processes. For more information or to make an inquiry about situations in which you are entitled to immediately appeal to OPM, including additional requirements not listed in Sections 3, 7, and 8 of this brochure, please call your Plan's customer service representative at the phone number found on your enrollment card, our brochure, or our website (www.fepblue.org). If you are a Postal Service annuitant, or their covered Medicare-eligible family member, enrolled in our Medicare Part D Prescription Drug Plan (PDP) Employer Group Waiver Plan (EGWP) and you disagree with our pre-service or post-service decision about your prescription drug benefits, please, follow Medicare's appeals process outlined in Section 8(a), *Medicare PDP EGWP Disputed Claims Process*.

To help you prepare your appeal, you may arrange with us to review and copy, free of charge, all relevant materials and Plan documents under our control relating to your claim, including those that involve any expert review(s) of your claim. To make your request, please call us at the customer service phone number on the back of your Service Benefit Plan ID card, or send your request to us at the address shown on your explanation of benefits (EOB) form for the Local Plan that processed the claim (or, for Prescription drug benefits, our Retail Pharmacy Program, Mail Service Prescription Drug Program, or the Specialty Drug Pharmacy Program).

Our reconsideration will take into account all comments, documents, records, and other information submitted by you relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

When our initial decision is based (in whole or in part) on a medical judgment (i.e., medical necessity, experimental/investigational), we will consult with a healthcare professional who has appropriate training and experience in the field of medicine involved in the medical judgment and who was not involved in making the initial decision.

Our reconsideration will not take into account the initial decision. The review will not be conducted by the same person, or their subordinate, who made the initial decision.

We will not make our decisions regarding hiring, compensation, termination, promotion, or other similar matters with respect to any individual (such as a claims adjudicator or medical expert) based upon the likelihood that the individual will support the denial of benefits.

Step 1**Description**

Ask us in writing to reconsider our initial decision. You must:

- a) Write to us within 6 months from the date of our decision; and
- b) Send your request to us at the address shown on your explanation of benefits (EOB) form for the Local Plan that processed the claim (or, for Prescription drug benefits, our Retail Pharmacy Program, Mail Service Prescription Drug Program, or the Specialty Drug Pharmacy Program); and
- c) Include a statement about why you believe our initial decision was wrong, based on specific benefit provisions in this brochure; and
- d) Include copies of documents that support your claim, such as physicians' letters, operative reports, bills, medical records, and explanation of benefits (EOB) forms.

We will provide you, free of charge and in a timely manner, with any new or additional evidence considered, relied upon, or generated by us or at our direction in connection with your claim and any new rationale for our claim decision. We will provide you with this information sufficiently in advance of the date that we are required to provide you with our reconsideration decision to allow you a reasonable opportunity to respond to us before that date. However, our failure to provide you with new evidence or rationale in sufficient time to allow you to timely respond shall not invalidate our decision on reconsideration. You may respond to that new evidence or rationale at the OPM review stage described in Step 3.

Step 2**Description**

In the case of a post-service claim, we have 30 days from the date we receive your request to:

- a) Pay the claim or
